GREAT PLAINS INDUSTRIES

HONDA

GO HARD OR GO HOME.

As a co-title sponsor, Great Plains Industries, its family of brands and its distributors are excited to be a part of the 2015 MotoSport.com / GPI / Honda racing team!

Learn about our three distinct brands and the high-quality products we bring to the industry:

GPI® The Proven Choice®

The GPI® The Proven Choice® brand offers AC fuel transfer pumps, DC fuel transfer pumps, Diesel Exhaust Liquid (DEF) products, methanol pumps and meters and fuel transfer hand pumps. Products built by GPI are 100% functionally tested to ensure years of dependable service.

GPRO™

The GPRO™ brand is a line of heavy-duty, professional grade fuel transfer pumps and products for commercial applications and the professionals who demand performance from the products that support them.

FLOMEC™

GPI's FLOMEC™ brand is a family of rugged, reliable flow meters and instrumentation utilized in a wide variety of industrial and commercial process industries worldwide including industrial liquids, water/waste water, chemical/petrochemical, food/beverage and HVAC. The full line of meters offers various materials, sizes, fittings and output choices. Utilizing multiple flow meter technologies allows for diverse solutions to fit most application needs.

Get Involved!

Contact your GPI distributor about attending a race, hanging in the pit with the team, getting motocross swag and more.
